Dear Author,

The current policy of the IEEE Communications Society Publications Council requires a mandatory overlength paper charge applicable to papers accepted for publication in the IEEE TRANSACTIONS ON GREEN COMMUNICATIONS AND NETWORKING. The charge is \$220 for each TRANSACTIONS page exceeding ten (10) pages.

Authors are asked to make a commitment to meet this obligation before their paper will be scheduled for publication.

I, the undersigned, agree to honor the mandatory overlength page charge, and ensure that the payment is made to IEEE as a condition for publication of the manuscript that I have authored (or co-authored) in the IEEE TRANSACTIONS ON GREEN COMMUNICATIONS AND NETWORKING.
